+234-813-853-6999 / browynlouis2@gmail.com / browynlouis.vercel.app

EDUCATION

University of Benin, Benin City	Benin City, Edo
Bachelor of science in Animal and Environmental Biology	*Oct. 2018 – Aug. 2024*
Federal Government College, Warri	Warri, Delta
WAEC & Senior School Leaving Certificate	*Oct. 2011 – Aug. 2017*

EXPERIENCE

Full-Stack Web Developer & Team Co-Lead — Oct. 2022 – June. 2023
Eval360 — *Remote, Nigeria*

- Integrated cutting-edge technologies (NextJS, ReactJS, Radix-ui, TailwindCSS) to improve application performance and user satisfaction.
- Led technical direction, translating designs into seamless, intuitive user interfaces.
- Streamlined evaluation processes with advanced frontend functionalities, enhancing efficiency.
- Optimized state management with Redux and data fetching with GraphQL for a responsive, high-performance app.
- Maintained code quality through best practices, CI/CD pipelines, and automated testing via GitHub Actions.
- Fostered a collaborative team environment, promoting knowledge sharing and continuous improvement.

Web Developer Intern — Oct. 2022 – Dec. 2022
HNGi9 Internship — *Remote, Nigeria*

- Co-led a cross-functional team of over 50 developers, designers, marketers, and product/project managers.
- Collaborated in the development of **Eval360**, a platform designed to create tests for evaluating engineers' strengths
- Coordinated team efforts, organized tasks, and provided assistance to junior developers
- Managed individual projects and tasks, ensuring timely completion and quality
- Delivered progress reports and collaborated with stakeholders to align project goals with team capabilities.

Undergraduate Student Intern and Assistant (Web Development Tutor) — Jan. 2022 – April 2022
University of Benin, Benin City — *Benin City, Edo*

- Took the initiative to tutor peers on the basics of the internet and web development.
- Tutored peers in fundamental web technologies; HTML, CSS and JavaScript.
- Fostered a collaborative learning environment by sharing knowledge and resources.
- Provided support in the restructuring of the company's website, contributing to its improved design.
